ADMISSIONS TO NURSERY (F1)

In line with Local Authority guidance and our admission criteria, places are offered from the intake **after** your child's 3rd birthday, providing places are available. We currently offer two levels of provision.

15 Hours Universal Provision

These hours are made up of either **5 AM** or **5 PM** sessions per week, term time only. We are unable to mix AM and PM sessions. Places are available until the end of the summer term prior to the September in which children are allocated a full time school place by the Local Authority. These sessions total 15 hours of your government funded entitlement, per child. Once your child joins our F1 (Nursery) we will automatically claim the appropriate funding, from Nottinghamshire County Council, for 5 sessions (15 hours) per week. Accepting a place within our F1 (Nursery) Foundation Unit signifies your acceptance of these arrangements.

30 Hours Extended Provision

For qualifying parents, we also offer 30 hours provision. Parents can choose how to 'spend' their 30 hour entitlement with us but they will always include the 15 universal hours as above which will be either 5 AM or 5 PM sessions. There may be additional charges if your child exceeds their 30 hour entitlement. For instance, if your child stays every morning and every afternoon and also over the lunchtime period.

If you meet the criteria for 30 hours provision and have accepted a 30 hours per week placement we will, as the primary provider, automatically claim the appropriate funding for 30 hours per week. If your child also attends another childcare facility, that establishment will not be able to claim from the 30 hours funding. You will need to make alternative payment arrangements with them.

Children who stay for the full day will need to bring a packed lunch and drink to school with them.

Places are available until the end of the summer term prior to the September in which children are allocated a full time school place by the Local Authority. By submitting this application form you are agreeing to these conditions.

Completing the Form

This form is also available via our website (www.arnoldview.notts.sch.uk) or the school office. Forms may be returned by email if preferred (office@arnoldview.notts.sch.uk)

Please complete all sections of the form **including the email address if you have one as this will be our initial method of contact** when we are able to offer your child a part-time place. If you do not have an email address please note this on the form and we will use alternative methods to contact you. If details should change at a later date please ring/email the school to let us know. Failure to do this may result in the place being offered to another applicant

NB: By requesting that we add your child to our waiting list you are registering an interest only. This does not guarantee a place will be available for your child.

Full Time Education

Parents/Carers should note that obtaining a part-time place at this school does not guarantee a full time place will be allocated. Full time places are allocated by the Local Authority in line with the schools admissions policy.
