Dear Parents and Carers,

We are delighted to share with you the outcome of our recent Ofsted inspection. Overall the school has been judged as a 'good' school and we are thrilled with this outcome. Attached is the letter, to school, from Ofsted.

Ofsted make judgements on the achievement of pupils; the quality of teaching; the behaviour and safety of pupils, early years and the leadership and management of the school. For each of these areas the school is considered to be 'good.'

It was particularly pleasing to note that the inspector found our school to be a purposeful place, where pupil's social, personal, as well as academic achievements are promoted and valued and also recognised that our children like to do well.

The feedback from the parent and carer survey was overwhelmingly positive, as were comments made by parents to the inspector on the day. Your feedback and the support you give to the school is greatly appreciated by all of the team at Arnold View.

Whilst we are pleased with the findings of the inspection, we are not complacent and will continue on our journey to improve things within school and work to ensure that all children achieve their potential. To help us with this the inspector identified some next steps, which I am pleased to say we had already identified. These are to ensure that:

- pupils in Year 1, particularly boys, reach the expected standards in phonics
- the improvements made to the provision for pupils who have SEN and/or disabilities lead to consistently strong progress
- staff inform pupils of what they are expected to achieve in lessons consistently well.

An electronic copy of the Ofsted letter, to school, is available on the school website, www.arnoldview.notts.sch.uk.

Yours Sincerely

D Bryant
