11th December 2014

PARENTMAIL

Please can we advise parents that Parentmail have launched an App for both iOS (Apple) and Android which are now available for parents to download free of charge from either the App Store (iOS) or Play Store (Android).

Please ensure that the App for Parentmail PMX is selected and not ParentMail2.

Can we please ask parents to ensure that their Parentmail account details are kept up to date with any changes. If you have not yet registered for Parentmail or are having difficulty please speak to the school office, as during any inclement weather we will use Parentmail as our first method of communication to advise parents of any school closures.

Please can we also advise parents and carers that diary dates and letters are available on our web-site via the calendar or the parent tab on the home page.

Thank you for your support.

Yours sincerely

Mrs J Harmon
Administrative Assistant
