

Arnold View Primary School

Kingfishers, Skylarks & Falcons

Spring Term Newsletter 2018

Dear Parents/Guardians

This term we will continue with a cross-curricular approach. This means links will be made, whenever possible, between different subject areas.

In the Spring First Half Term the topic is Ancient Greeks (History Based) and the Second Half Term's topic will be Nutrition and Digestive System (Science Based) and a history based topic on Lace Factories of Nottingham.

Maths

In each class children will work in areas related to the National Curriculum according to their stage (time and measures, including perimeter and area). Then we will be looking at fractions and decimals.

Literacy

Some literacy work will directly relate to the topic, whilst other work will relate to other parts of the curriculum e.g. Myths and Legends and Poetry and explanation texts.

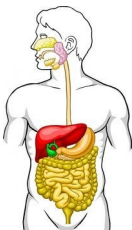

RE

The Re theme will be 'Worship and Sacred Places'.

PSHE

PSHE will be looking at issues related to the wider world.

Science

Within Science we will be looking at the digestive system and nutrition.

Internet Safety

ICT

Safe Internet Day in February. The Topic this Half-term will be Databases using Excel.

PE

Dance Wake and Shake video and Invasion games, Ultimate Frisbee!

DT

Creating a Greek Theatre.

ART

The children will be making Greek Pots and Shields.

PE Kit

Please ensure your child has full kit in school at all times. This includes pumps or trainers and warmer clothing such as jogging bottoms and a top for outdoor wear. Shorts will still be required for indoor lessons.

Thank you for your continued support:-

Mrs Mitchell	Class 6 - Kingfishers
Mr Booth	Class 7 - Skylarks
Mrs Bradley	Class 8 - Falcons
