

# Arnold View Christmas Party

## Wednesday 19th December

On Wednesday 19th December we will be having a Christmas Party for all the children. Children may come to school in non uniform.

The party is due to take place over the lunch time period and the children will be having party food instead of a school meal or packed lunch on the day.

School will be providing some of the food however we are asking for all the children from each class to bring in an additional item of food on the day of the party. Please see the list behind relating to the class your child is in and what food they need to bring in on the party day.

Thank you
