Dear Parent/Carer

## Year 5 & 6 Maths Parents Information Meeting Thursday 17<sup>th</sup> January 2.45pm to 3.30pm

We would like to invite parents of children in Year 5 & 6 to an informal meeting on Thursday 17<sup>th</sup> January to share information about how maths is taught in school and how you can support your child and continue this learning at home. The way the lessons are structured and the way new skills are taught helps give children confidence to enable them to make excellent progress with their maths. The success is partly due to home and school working together. Last year, the children who made the most progress were those who had support from home.

Please do not worry as there will be no tricky questions, tasks or tests, but just an insight into the things that happen every day in school. It would be great to see as many people there as possible. If you would like to attend please return the attached reply slip to the school office by Friday 11<sup>th</sup> January. Please arrive at main reception ready for the meeting on the day. This meeting will take place in class 11.

Thank you for your support.

Yours sincerely

Miss Revill, Miss Green & Miss Johnston  
UKS2 Team
