14th January 2019

Dear Parents/Carers

[NEW School Dinner Menu as from 25th February 2019](#) [& School Meal Preference Form](#)

Please can we advise parents and carers that there will be a new school dinner menu, which will come into effect after the half term holidays on Monday 25th February 2019.

Attached is a copy of the new menus along with a meal preference form. As the menu has changed, the meal preference form must be **completed and returned by every child** even if preferences are remaining the same or your child always bring a packed lunch. For parent's information, the week commencing Mon 25th February will be Menu Cycle 1.

Please complete the Preference Form with your child and return this form to the school office by Monday 28th January. We notice that children who are not eating their school dinners sometimes find it hard to focus during the afternoon session. Therefore, in order for your child to benefit from their school meal and to avoid waste, please can you ensure that your child would be happy to eat the school meals that you indicate on your child's preference form. Please can parents keep a note of their child's preferences for reference.

We would ask you to support us in encouraging your child to keep to the choices made, only making changes which are implemented on a half termly basis.

Can we please remind parent and carers that meals should be paid for before they are taken by using our online payment system, Scopay.

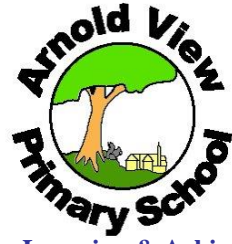

If you are at all unsure about anything please do not hesitate to come and talk to us and we will do our best to help.

Kind regards

G. Arris
