Getting help

In an emergency,
call 111 or 999.

If you are worried
about something, talk to
an adult you trust at
home or at school.

Key concepts

Some people can have an allergic reaction to a bite or a sting. If this happens, you need to get help as quickly as possible.

Some emails are fake and we should not reply or click on links if we do not know who they are from.

There are some choices we can make for ourselves, and other things will be decided for us.

Other people might influence the choices we make.

Safety tips

If you receive a suspicious email, mark it as spam, delete it or report it to an adult.

If you are not sure about a decision, talk it over with someone you trust.

When we cross the road we need to remember to:

Stop , Look  and Listen .
