HEALTH AND SAFETY POLICY (Incorporating Statement of Intent for Building Compliance)

STATEMENT OF INTENT FOR BUILDING COMPLIANCE

The Governing Body recognises that building compliance is a key responsibility to ensure premises are maintained whilst providing a safe environment for all users.

The Governing Body with the support of school staff will ensure the premises are adequately maintained in a safe operational condition. This will include compliance with statutory and regulatory requirements for buildings, engineering services, equipment and external areas.

Where necessary, the Governing Body will seek specialist advice to determine the appropriate maintenance regime required to ensure their duties are discharged in regards of compliance. The Governing Body will ensure that only competent, reliable and reputable service providers are selected to deliver maintenance services to the school

The Local Authority will conduct monitoring visits to assess building compliance. The Governing Body will assist in this undertaking by keeping, as far as is reasonably possible, complete and accurate records of maintenance tasks.

The Governing Body discussed and agreed this statement alongside the Health and Safety Policy at the Governors meeting on:

Statement of Intent

The Governing Body / Trustees of **Arnold View Primary School** will meet their responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees, and ensure their work does not adversely affect the health and safety of others (including; pupils, visitors, contractors etc.). Details of how this will be achieved are given in this health and safety statement.

The Governing Body / Trustees will ensure that effective consultation takes place with all employees on health and safety matters and that individuals are consulted before allocating particular health and safety functions to them.

Where necessary the Governing Body / Trustees will seek specialist advice to determine the risks to health and safety in the school and the precautions required to deal with them.

The Governing Body / Trustees will provide sufficient information and training in health and safety matters to all employees in respect to the risk of their health and safety.

The Governing Body / Trustees requires the support of all staff to enable the maintenance of high standards of health and safety in the school's activities.

The school is committed to continually improving its health and safety performance.

This statement includes a description of the organisation of the school and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are outlined in the arrangements section.
