23rd September 2024

Dear Parents/Carers

Time Tables Rock Star 2024-25

I am writing to you to inform you about the changes we have made to the Times Table Rock Star Competition for this academic year.

This year the competition is based on individual challenges as opposed to classes competing against each other.

Each week your child will be set homework on Times Tables Rock Star. They will be asked to play for 10 minutes, four times during a week (Monday to Sunday). If they do this they will get a star on a reward chart in school. If they get 25 stars during the school year they will be able to attend the Times Tables Reward Day in the summer. This reward is a fun day filled with lots of exciting activities. However, if your child does not achieve the 25 stars they will not be able to access the fun day.

On the Time Tables Rock Star app you will notice that some of the activities have been blocked off. This is because your child's teacher will pick the activity they want your child to do that week. The teacher will also pick the time tables they would like you child to practice. For example, they might pick that particular week for your child to practice their x4 tables.

The class teacher will remind your child each week about the homework, however, your support would be appreciated in reminding them at home.

Thank you in advance for your support.

Yours sincerely

Mr Carl Jarvis
Deputy Headteacher
