## KS1 WOW DAY

### Friday 13<sup>th</sup> September!

To support our history topic, 'Toys Past and Present', the children will be taking part in an exciting workshop lead by outside provider from 'Partake History'.

The session starts with the earliest and simplest toys and looks at their evolution through Victorian times to the present day, exploring and handling the various materials used, their methods of manufacture and an understanding of what is old and new.

With an opportunity to play, the children will compare and contrast how different toys work and move before being delighted by some 'rib-tickling' clockwork toys of our grandparent's generation!

Thank you for your support. If you have any questions, then please do not hesitate to contact your child's class teacher.
