6th September 2024

Dear Parents/Carers

OPAL:- Clothing requirements (Year 1 to Year 6)

As part of our OPAL project, we will be introducing more activities that will require protective clothing, particularly as the weather changes during the autumn into the winter. These activities will include going into the forest school, using the mud kitchen, playing in the water area and during the winter months accessing the field.

For your child to be able to access these activities they will need a pair of wellies and waterproof trousers. These will be kept in school so if they wish to do the 'less clean' activities they can do so without getting muddy or wet.

Both wellies and waterproof trousers will need labelling with your child's name and will need to be kept in a clearly labelled bag specifically for these items. Water proof trousers are available to buy from Go Outdoors, Sports Direct, Decathlon and many other retailers.

If you have any questions please don't hesitate to contact me.

Yours sincerely

Mr Jarvis
Deputy Headteacher
