8th July 2025

Dear Parents / Carers

Castleton Losehill Hall Residential 2025 – Consent Form

Preparations are accelerating in anticipation for the Year 6 residential trip to Castleton in September.

The centre has asked that all children complete a food option form ready for the trip. Can you please sit with your child and complete the below forms link by **Friday 18th July:-**

Food forms link:- <https://forms.office.com/e/ACipJDMJ25>

Please also find attached the NCC Parental Consent Form for you to complete and return to the school office by **Friday 18th July.**

The NCC Consent Form includes details of any medication your child will need while away, including travel sickness tablets/paracetamol. If this changes (medication needs removing or adding) before the visit, it is important that you come into the school office and make changes on the form a least 5 days before the visit takes place. This will allow for us to process the paperwork before the visit as it's not possible to do it on the day.

The form also asks for the date that your child received a tetanus injection. The centre does need this information, so if you are unsure you will be able to get this date from your GP.

We will be holding a parents meeting in Class 11 on **Thursday 4th September at 3.45pm** to discuss the final arrangements, kit lists and address those all-important last minute questions. **Initially however, please could you complete the attached food forms link AND consent form (returned to school) by Friday 18th July.**

If there are any questions please don't hesitate to contact me in the meantime.

Many thanks for your support.

Yours sincerely

Mr Jarvis
Trip Lead
