2nd June 2025

Dear Parents/Carers

As you know from previous letters and newsletters, I am committed to improving our school and the outcomes for each and every child. As part of this commitment, it is very important that there is feedback from you on key issues facing the school and I will be gathering this feedback through a questionnaire.

This year the school is using Microsoft Forms which you can access via the link below. Whilst it was initially based on the Ofsted Inspection questionnaire, the school has added some questions that we feel are specific to Arnold View Primary School. In order to gain an accurate picture of our school and determine the ways we can continue to deliver the best education for your children, we need as many questionnaires completed as possible.

If you have more than one child at the school we would appreciate a questionnaire per child, as each of your children may have a different experience. Please feel free to add any notes that you wish, but please do not mention any member of staff by name.

If you would like to make an appointment with me to discuss any aspect of your feedback, do get in touch and I will arrange a meeting in person. I am sure you can appreciate that it is very difficult to action areas for specific attention if the questionnaire is anonymous.

If you would prefer to complete a paper questionnaire, again with the same anonymity, please collect one from the school office which can be returned to the office in a sealed envelope.

Please click here for the link to the questionnaire: - <https://forms.office.com/e/6HJpBUDhjV>

The closing date for the questionnaire will be **Friday 13th June at 2.00pm.**

We appreciate your support and thank you in advance for your help.

Yours sincerely

Mrs C Otterburn
