

Single Use Plastic Free Lunch Week

2nd June to 6th June

As part of our Eco-Schools Programme to earn our Green Flag Award, we are asking you to please participate in our Single Use Plastic Free Lunch Week from 2nd-6th June. We hope that the children will have a better understanding of how we can take action to reduce our waste. By eliminating single use plastic, you can save money and promote healthy eating.

We would love it if your child's lunch contains as few items as possible that must be thrown away. Ideally, your child's lunch will only contain items that will be eaten, composted or recycled.

Thank you for your support.
